As you have probably read in our invitation sent at the beginning of August, we will hold a twinning meeting in Balassagyarmat between 20 and 23 September 2024 (ENVIRONMENT ECONOMY CULTURE - "NEW EUROPEAN BAUHAUS"; Meeting of Towns in Balassagyarmat (Project acronym: ZÖLDCSIGA))

As a preliminary information, please note the following:

Meals will be provided for all participants, accommodation will be provided for the German, Transylvanian and Italian delegation.

Since 'green investments' will be the main topic of the twinning meeting, we would like to ask you to choose maximum 3 projects that you implemented in your settlement in the field of renovation of green spaces, which we will present during the meeting. We kindly ask you to send us 5 photos of each project with captions and designation of the project.

Please let me know if you can participate in the online meeting.

Kind regards,

Gábor Csach, Mayor
